ELIZABETH'S LEGACY OF

HOPE

**ELoH works to improve the
lives of vulnerable child
amputees.**

~

**98% of children living with a
disability in developing
countries do not attend school.**

~

**They are trapped in poverty,
deprived of the help they need.**

~

**For only £80 a child in Sierra
Leone can receive a prosthetic
leg and the chance to walk.**

~

**Please visit our website to
make a donation!**
